

unitedstreaming in Action: Quiz Builder

Quiz Builder is a *unitedstreaming* tool that helps you produce interactive quizzes for your students to complete online, at their own pace. Measure comprehension at the end of a lesson, or assign a quiz at the beginning of a project to find out what students already know.

Quiz Builder
Welcome to the Quiz Builder - a tool to help you create Quizzes for your students. Your Quizzes will be saved in your personalized My Content area. To get started, create a new Quiz or search the Quiz Library.

Summary

Step 1: General Information

Start by providing information about your quiz in the form provided. The quiz name, author, school, subject area, and grade level are required fields. You can also create quiz instructions, learning objectives and teacher notes.

You can save your quiz by clicking on the Save button at the bottom of the screen. If you choose not to click Save, a warning message will appear on each step thereafter, until you click on the Save button and select the folder within My Content to which you would like to save your quiz.

Warning

It appears you have not yet saved this Quiz to a folder in your My Content area. You may continue to work on building your Quiz, but it will not be saved until you click on the "Save" button and specify a My Content folder in which store it.

Step 2: Add Materials

You can use the Keyword Search to add full videos and video segments to your quiz or search for video content by Subject and Grade.

Step 3: Add Questions

The Question Databank contains thousands of questions you can add to your quiz, or you can write your own questions.

Step 4: Preview

The Preview feature allows you to see what your quiz looks like in its final form. If you wish to make changes simply click on any of the steps in the process chain.

Step 5: Summary

The summary provides quiz information you will share with your students. When you provide the Quiz Code, students will need to go to <http://www5.unitedstreaming.com/studentcenter/> and enter the Quiz code and their first and last name in the fields provided. When you provide the Student Center Link, students are taken directly to *unitedstreaming's* Student Center. The Quiz Code will be pre-populated and students simply enter their first and last name in the field provided.
